

Corporate Christmas Gift Guide

Unique Christmas Gifts Handmade by Nepali Women

Do you want to offer your teams a very special Christmas present this year?

Our organisation, 6° Network for Women focuses on the economic and social empowerment of socially disadvantaged women in Nepal and works together with like minded partners who create jobs for women enabling them to gain financial independence.

The products below are all handmade by Nepali women and by buying these products for your team members, you are supporting the women and their families in Nepal.
